

DECISION :-

I have gone through the contents of RTI application, appeal of the appellant, comments of CPIO/DCC vis-à-vis material available on record which revealed that the appellant vide his RTI application dated 25.04.2022 had sought information on 18 points in connection with the investigation of case FIR No. 43/2020 PS 26 Chandigarh which was further transferred to CPIO/DCC by Nodal Officer RTI Cell on 26.04.2022 for supplying the information on the points relates to his unit. Information sought as per Point Nos. 7, 8 and 9 of RTI application found relates to District Crime Cell and the same was replied accordingly vide letter No. RTI-03/CPIO-DCC-24/UT, on dated 18.05.2022 online. As the available information (point wise) relates to DCC had already been provided by CPIO/DCC, thus, there was neither any delay nor any denial on the part of CPIO/DCC.

So far as appeal of the appellant is concerned, appellant has raised his grievances under the instant appeal. His grievances cannot be entertained under RTI Act as this act provides a mechanism for seeking information to the appellant but it is not a appropriate platform/forum for redressing his grievances. Whereas, CPIO/DCC had already furnished the points wise reply/information on the points relates to his unit to the appellant, hence, no more action is warranted on the instant appeal and the same is hereby rejected and disposed of accordingly.

In case, the appellant is not satisfied with the disposal of his appeal, he can file second appeal before the Hon'ble CIC, CIC Bhawan, Baba Gangnath Marg, Munirka, New Delhi-110067 under the RTI Act within 90 days.
